Living By The Book (Dr. D. M. Thompson)

For every person who draws strength and direction from the Bible, there are many more who struggle with it. Some call it a long book with fine print and obscure meaning. Some call it a mystery. A chore to read. An undecipherable puzzle. The good news is you can easily solve this problem. In a simple, step-by-step fashion, the authors explain how to glean truth from Scripture. It is practical, readable, and applicable. By following its easy-to-apply principles, you'll soon find yourself drawing great nourishment from the Word--and enjoying the process!

Moving in the Gifts of Revelation & Prophecy (Dr. W. Ron Walker) *1st Semester

The Gifts of the Holy Spirit empowers believers to function as effective vessels demonstrating the relevance of the Gospel today. This book lays clear apostolic foundation for the release of all the vocal and revelation gifts paving the way for the breaking forth of the power gifts. This excellent workable strategy allows the believer to understand how to move in simple prophecy and also how to develop their giftings to the next level. This book allows the believer to progress in their prophetic anointing until the prophetic ministry can become evident in their lives. This clear apostolic teaching allows a believer to know where they are in the prophetic anointing and helps them develop it to the next level.

Catching the Waves of Revival (Dr. W. Ron Walker) *2nd Semester

This apostolic teaching is a journey towards revival. It provides insights of the different stages of revival and how we can prepare ourselves to become involved with God and His purposes at every stage of divine activity in our quest for full-scale revival and city transformation. It reveals how whole churches can be prepared to be carriers of revival flames. This book allows the believer to chart the course of revival by discovering at what stage of revival they are in and work towards the next level. It provides strategies on how to consolidate each step of the way towards city transformation. This excellent work allows us to prepare systematically and plan strategically our corporate journey towards the full manifestation of the Holy Spirit's power on this earth for breakthroughs in the city, revival in the land and outpouring in the church.

Culture of Honor (Dr. David Cowan)

In this powerful, revelation-packed book, Danny Silk describes the significant paradigm shift in church life, government, and relationships that has created and sustained the revival culture at Bethel Church in Redding, California. Through many relevant and true-life stories, the church is revealed as a place of freedom, respect, empowerment, and healthy discipline (not punishment). Culture of Honor challenges the status quo of church leadership structure and presents a refreshing view of the five-fold ministry. Jesus acknowledged this important principle in Matthew 20:25-26: But Jesus called them to Himself and said, 'You know that the rulers of the Gentiles lord it over them, and those who are great exercise authority over them. Yet it shall not be so among you; but whoever desires to become great among you, let him be your servant. If those with power learn how to empower those around them, then surely it will come to pass that, Thy kingdom come, Thy will be done on earth as it is in Heaven. You can apply today the truths revealed in this practical yet supernaturally charged set of principles to relationships in your family, workplace, community, ministry, church-wherever you deal with others.

Church Unusual (Dr. D. M. Thompson)

Church Unusual lifts the perspectives and paradigms of pastors and Christian leaders to see the Church beyond its natural elements and environment. Church is the avenue and vehicle for the Kingdom of God manifesting here on earth as it is in heaven. This heavenly life, nature and atmosphere must be experienced within Church. This certain place will become an Awesome place. When that happens God can dwell in and manifest His power and glory through His Church to rule over all His enemies. The pledge the Father gave to His Begotten Son will become a total reality. Psalm 110:1-2 The LORD says to my lord: "Sit at My right hand Until I make Your enemies a footstool for Your feet." The LORD will stretch forth Your strong scepter from Zion, saying, "Rule in the midst of Your enemies."

Spiritual Authority (Rev. Ronald Gauthreaux)

Authority is a tremendous thing in the universe, nothing overshadows it. God's throne is established on His authority. God's authority represents God Himself. God alone has authority in all things; all the authorities of the earth are instituted by God. It is therefore important for us who desire to serve God to know the authority of God. God's authority is absolute, hence we must give Him absolute submission (our heart's attitude) and absolute obedience (our outward actions). But to His delegated authorities we can render absolute submission, but only relative obedience. For their authorities are circumscribed by the measure of the life of Christ in them. Only when they themselves submit to God's authority in them are they able to represent God.

Spirit of Honor (Rev. Gregory Calhoun)

We all have times in our lives when we stop and contemplate our walk with Christ and question whether or not we are living the blessed life God intended. Often we find dissatisfaction or unfulfilled destiny and wonder if something is missing in us or if God has forsaken us. In this exciting book, The Spirit of Honor, Bishop Tudor Bismark shows us that God is always faithful. However, people perish because of the lack of knowledge and many suffer because dishonour is present in their lives. This teaching by Bishop Bismark brings fresh revelation on the spirit of honor and invaluable information, key to our growth as believers. Learning about honor and the blessings connected with honor can be life changing.
