## A Master Key of the Holy Spirit Being in Charge

August 2013

Dear Partner,

Grace be unto you, and peace, from God our Father, and the Lord Jesus Christ. I want to talk to you about a serious subject that will change your life forever. I ministered on this subject in campmeeting on last month and God has laid upon my heart to minister the same subject to you. I want you to listen with your spiritual ears as you read this letter. This month I would like to talk to you about, Meditation is a master key of the Holy Spirit being in charge. Meditation means to engage in thought or contemplation or to reflect. Out of meditation comes revelation and application and it prepares you for victory. Through meditation the word is stirred in your spirit by the Holy Spirit. Psalm 39:3 says, "My heart was hot within me, while I was musing (meditating) the fire burned: then spake I with my tongue." In this verse David didn't have the anointing to speak until after the fire, Burned. This fire, which the Holy Spirit, was stirred by meditation. Experience

Meditation sets your heart on fire and causes you to be so anointed on the inside that you have to say something. But when you speak, it is no longer a human being talking. It is God infiltrating your vocal cords and you begin to speak His word in power, life and light. Every situation begins to change once it hears God's voice coming through you.

While meditating, God's word changes, convicts, and brings confidence and courage to your heart. You need confidence and courage to do the things of God, and meditating on His word will help you receive them. Jeremiah 23:28, 29 says, "The prophet that hath a dream, let him tell a dream and he that hath my word, let him speak my word faithfully. What is the chaff to the wheat? Saith LORD. Is not my word like as fire? Saith the LORD; and like a hammer breaketh the rock in pieces? God's word can come through you as fire and a hammer breaking rocks into pieces. God's Spirit will breathe on you as you speak to your mountain. When Jesus spoke to the wind and the roaring sea in Mark 4:39, He was speaking from the Spirit of God. You have the same privilege of speaking and getting results just as Jesus did if you meditate on God's word.

You must meditate on God's word until you get the power and life out of it. Power and life are not in the surface of the word. They are in the depths of the Spirit. The Spirit has to reveal what that word is saying to you at that moment. You may read and meditate the same scripture next week and it will say something totally different to you. After reading a scripture you need to ask yourself these questions: DID GOD SPEAK TO YOU? DID HE TELL YOU TO ACT? DID THE HOLY GHOST BREATHE ON YOU AND GIVE

## YOU INSPIRATION AND REVELATION WHILE READING THE SCRIPTURE?

Furthermore, you must realize that meditation is not memorization. Memorization is when you have mastered the thought process of being able to say the scripture. Meditation causes the word to master you. Your tongue catches on fire and you didn't drink anything hot! I've ministered in meetings where after meditating and acting on what God told me to do, the audience caught fire with the Holy Spirit and He moved in a mighty way. This can happen in your life. Your life can catch on fire after meditating the word of God and when the Holy Ghost breathes on you, you'll find yourself looking for your problems and can't find them. **YOUR PROBLEMS WILL RUN FROM THE POWER OF GOD!**

Meditation involves 3 major steps:

### CONTEMPLATION

**Contemplation**, in this case, is thinking intently about the full meaning of the scripture you are attending to. Contemplation causes the Spirit to ignite the meaning of scripture with the soul (emotions, feelings, intellect, reasoning, memory, imagination, and your will). Now, beware of your soul. It will block the Spirit if you don't train it properly. Your soul will cut down manifestations and demonstrations if you don't have it in alignment with the word of God. It will turn to the natural. You will start looking for natural remedies when God is saying "I'll do it My way." On the other hand, the imagination is an excellent way to train and align the soul with the word of God. **God is so vast that if you don't use your imagination you can't go where He wants to take you.** For example you'll find yourself desiring a house when God wants to put you in a mansion (or more than one). In addition, you may dream about flying first class when God wants to give you a jet. The words "jet(s)" and "mansion(s)" may be nowhere in your vocabulary but God wants to take you there. In order for Him to take you there, your imagination must first take you there. It will take you there after meditating scriptures that talk about Abraham, Isaac, and Solomon. No one in your family has ever gone there but you find yourself eventually going there because your imagination has taken you there for so long. **Ephesians 3:20 (NIV Translation)** says, **"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us."** The imagination must be stretched to no limits because God is unlimited. Meditate this verse and get it in your spirit; **Mark 10:27** which says, **"...With men it is impossible, but not with god: for with God all things are possible."**

### CLARIFICATION

What is God saying to you? Not what he is saying to Ezekiel or Jeremiah. But what is he saying to you? **THIS BOOK IS SUPPOSED TO TALK TO YOU!** God will clarify things in your life through His word. God will do it by developing an intimate relationship with you as you meditate on His word. You will come to the point where God and you will hold random conversations throughout the day. He may even wake you up during inconvenient hours and tell you to read a certain passage. Dwell there until He says otherwise. He will begin to share some things with you concerning how to deal with certain areas of your life. Sometimes what God tells you will seem strange and useless. However, that very thing He tells you to do will eliminate your troubles. Partner, I tell you, that meditation is a powerful key in God's Kingdom!

## DECLARATION

To declare means to make known or state clearly or to state emphatically. It also means to manifest, reveal or show. Declaring the word begins to shape the spiritual world around you to conform to manifestation of the word. The more you declare the word the more the atmosphere becomes conducive to manifestation. **Isaiah 44:7** says “**And who, as I, shall call, and shall de-  
clare it, and set it in order for me, since I appointed the ancient people? And the things  
that are coming, and shall come, let them shew unto them.**” Why do you think God gave me the revelation “Money Cometh?” He wants to set the body of Christ’s finances in order.

After meditation when you declare, the Holy Spirit lights His fire through your words and demons have to obey you like they obeyed Jesus. The seven sons of Sceva in **Acts 19:14** were not known nor respected by the demon because they did not have any flame in their fire. The demon knew Paul just like he knew Jesus because Paul had a living word on the inside of him through meditation. I prophesy that: **YOU WILL HAVE A WORD FLAME IN YOUR FIRE AND YOUR TONGUE WILL BE LIKE THE PIN OF A READY WRITER. YOU WILL SPEAK WITH THE SPIRIT OF BURNING (THE HOLY GHOST). YOUR CHALLENGES MUST GET ON THEIR KNEES BECAUSE YOU WALK LIKE A MAN AND TALK LIKE A GOD! WHAT YOU NEED, RECEIVE IT NOW! HOLD IT IN YOUR IMAGINATION AND LET THE FIRE BURN!**

I pray that the fire of God burns in your life so that those lives you touch will receive the fire-burning anointing of God. If this is going to happen, meditation become a consistent part of your life (read Joshua 1:8). Carolyn and I LOVE and PRAY for you daily. We ask that you send your testimonies to us.
