

WALK INTO THE SUPERNATURAL

July 2014

Dear Partner,

It's time for us as the Body of Christ to put ourselves in a position to receive supernatural manifestations of God for every situation. We have been praying and waiting long enough, it's now time to take possession! God is a God of miracles. He is a God who desires for us to experience the supernatural. To experience heaven on earth. But, we must be willing to allow Him to work supernaturally on our behalf in this earth realm. God has already handled His end of the deal. Jesus Christ on the Cross finished whatever we will ever need. Now, it's our turn to fulfill our end of the deal as children of the Most High.

The Holy Spirit brought me to a passage and I believe it perfectly describes how we can put ourselves in a position to experience miracles. The "Message" version of Ecclesiastes 5:1-2 makes it plain, ***Watch your step when you enter God's house. Enter to learn. That's far better than mindlessly offering a sacrifice, doing more harm than good. Don't shoot off your mouth, or speak before you think. Don't be too quick to tell God what you think He wants to hear. God's in charge, not you – the less you speak, the better.***

Miracles happen when we yield to the way God wants to go. Certainly, we can all agree with that. How many times have you tried to go your own way, with no avail? Remember: ***God's in charge, not you.*** If you already knew the way, don't you think you would have been there already? Only God knows the route and what you need to do to receive your miracle.

Even with the Word of God; we read, study, and meditate all the promises of God. We see what the Word says we can have, and what the Word says we can do. But, the Word will just be *words* if we don't allow the Spirit of the Lord to breathe on them to make them alive and personal for our situation. Scriptures are just ***common information*** without the breath of the Spirit breathing on them.

Just because you can quote a scripture word-for-word doesn't mean that scripture is alive. ***Search the scriptures; for in them you think you have eternal life and they are they which testify of me.*** (John 5:39) The scripture may be testifying of Jesus, but, *you need the scripture to testify for you.* You have to know what it is that that particular scripture is saying to *you.* The Holy Spirit has to breathe on those words, converting them from common information into revelation. From just a principle to a concept. If the scripture stays as common information, you won't have the spiritual instruction to receive your miracle. If it stays as just a *principle*, you will see where a miracle has the potential to take place, but you won't understand the *concept* of how to receive that miracle. It is *vital* that you come to the Spirit of the Word and not just the common information. You will not receive

God's instruction unless you go in the Spirit. Verse 40 of John 5 says, **And ye will not come to me, that ye might have life.** Jesus is saying, you will not permit me to direct you. You are trying to take scriptures and direct God when you don't even know where you are going. God is waiting on you to let Him take over.

Yes! You should read scriptures. Yes! You should meditate them day and night. But, you *have* to see God in the scripture. In **Him**... is your instruction. In **Him**...is your miracle. In **Him**...is your provision. **Him** walks on water. (I know this doesn't sound grammatically correct, but I need to state it this way for you to get it). **Him** creates what does not exist. You cannot skip **Him** in the scripture. You have got to get to know **Him**. Unless you see **Him**, you are not going to get a miracle. Unless the Holy Spirit reveals **Him** to you by revelation, you are not going to trust **Him** enough to do what He tells you to do. The wedding party in J

John 2 experienced the miracle of Jesus turning water into wine because they heeded Mary's instructions: **whatsoever he saith unto you, do it.** Your miracle also lies in those instructions.

It's time for you to walk in the supernatural! God is waiting on you to cooperate with Him. He *wants* to do something supernatural for you. It's time for the world to see that our God is greater! It's time for you to receive supernatural miracles, signs, wonders, demonstrations, and provision! I love you and will talk with you on next month.

Sincerely,

Dr. Leroy Thompson Sr.
