

Your Partnership is Important

October 2013

Dear Partner,

Grace be unto you, and peace, from God our Father, and Lord Jesus Christ. We give thanks to God always for you, making mention of you in our prayers; remembering without ceasing your work of faith, and labour of love, and patience of hope in our Lord Jesus Christ. I'm inspired by God to talk with you, my partner, about partnership. The dictionary defines a partner as "a person who shares or is associated with another in some action or endeavor." Spiritual partnership is essential in that it is an important vehicle in which God can get things done in the earth. The Bible clearly states in Luke chapter 5: 1-11 that Peter did what God told him to do by launching out into the deep (throw your net into an unlikely spot). At that point, Peter's nets overflowed and the first people he called for were his partners. And then his partners came and their ships overflowed. And they were so overwhelmed by the miracles, signs, wonders, and the goodness of God, that they yielded their lives to God and became catchers of men. I am challenging you to launch out into the deep.

WHAT WOULD HAPPEN IF YOU OBEYED GOD?

God supernaturally showed the fishermen what He would do if they obeyed Him. He was in essence saying, "Your lives will begin to overflow because you have stepped into my plan." When you step into God's plan, your life goes to another level. Your finances go up; provision for your family goes up; dreams become fulfilled; and generational curses are broken off you and your family's life. You begin to see life in a new way. I remember in my early days of ministry God spoke to me about making changes in my church. We were a small church barely making an impact in the community let alone the world. When I would hear God's voice, I would immediately do what He would tell me to do. He would tell me to do things such as: take the steeple off the church; remove the corner stone and bell from the church; give this amount to this person, etc. These commandments may have looked small and insignificant, but I obeyed God in faith knowing that He would change things in my life. Now, I've said all of this to say, when you obey God and step into His plan **a whole new world will open up for you.**

ALWAYS ABIDE IN A FRESH WORD

I mentioned in one of our daily meditations last month about a "fresh word." One of the advantages of partnering with this ministry is that you receive a fresh word on a daily basis through our **daily meditations, monthly letter, and monthly CD.** I believe that when you are trying to live on an old word you are living on stale bread. I don't believe in stale bread. **Matthew 4:4** says, **Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.** You must live on every word that comes from God's mouth. A fresh word from God will conquer any bad situation that arises. It will also answer any question that arises in your life. God is constantly talking and if you are not tuned in properly with

Him, you will miss the Word He is presently trying to convey to you. "Money Cometh" has an apostolic-prophetic mantle on it. Those who connect properly have first-hand to receive **revelation, manifestation, and demonstration** that comes forth in the Money Cometh meetings. They are imparted for your success. God has sent you to me to help spread this revelation apostolically across the world. Furthermore, our coasts are about to enlarge. People in other countries have recognized the need for this message. God is about to send us into countries that we have never physically gone in before and impart revelation to its people. As E. I. W. M's coasts enlarge, your coasts must enlarge. Your finances must increase. Your children must prosper and make you proud. You will discover new healthy relationships. Relationships with your spouse and family will become blissful. Why? Because you are sowing into God's vineyard. As you sow into God's vineyard, He will sow into yours. Your seeds will help set people free from the bondage of poverty. I AM SO EXCITED! (Meditate on **1Chronicles 4:10**).

I speak increase on your life. Every need and want in your life is met in Jesus Name! Things that are financially impossible are about to change in your life today!

IS THE GOODNESS OF GOD SEEN IN YOUR LIFE?

Many in the world are not saved because they don't see the goodness of God in the average Christian's life. The crowds followed Jesus because they saw the goodness of God displayed in His life. Jesus laid hands on blinded eyes and they opened. Jesus multiplied fish and bread and fed a multitude of people. Jesus also touched lepers and they were made whole. After the people saw miracles, signs, and wonders, they saw a better way of living. They saw liberation! They began to imagine themselves rising above their circumstances and situations. People came to Jesus! Just think if the sinner saw miracles, signs, and wonders happening in your life. What if all of your needs were met and you were living an opulent lifestyle? What if you touched someone and they became healed, delivered, and set free? The sinner would become exposed to the miracles in your life and would want to know who your God is. **IT WILL HAPPEN!**

In conclusion, Carolyn and I want to encourage you to stay strong. We know that there is an open Heaven over this ministry and God is constantly talking to us. One of our priorities is to feed you a fresh word from Heaven when God speaks. We believe that your life will be greatly impacted in the days to come; so don't quit, because God will not quit on you. He has so much more in store for you and if you continue, you are certain to receive His blessings. Remember, we love you and **2013 IS THE YEAR OF HUNGER, THIRST, AND BEING FILLED!**
