A WORD FROM THE EVER INCREASING WORD TRAINING CENTER PRESIDENT

A Ministry of Excellence:

I am excited about the Ever Increasing Word Training Center. Several years ago, God placed a vision in my heart, and part of that vision was to train those men and women who desire to serve in ministry that are called to a preaching or pulpit ministry, those that are called to the ministry of Helps and also train others that may desire to simply further their knowledge in the Word of God. My desire is to send giants out into the land for the Lord, teaching others who they are in Christ so that the Body of Christ may increase not only in numbers, but that they will grow up in Him in all things. This will empower them to live the glorious, victorious, powerful, bible believing life that God intended for us to live. As you read this brochure, prayerfully consider EIWTC to be the place that God uses to prepare you for what He has called you to do.

EIWTC First Year Courses

Ministry of Excellence: Why settle for fair when you can be first-rate? There is no shortage of ministers who desire to achieve excellence. But only a few dare to demand it of themselves. In this clear call for action, this course shows how to turn that inner desire into a firm decision to be all that God has called you to be.

Experiencing God: This course reveals that knowing God does not come through a program, a study, or a method. Knowing God comes through a relationship with a Person. This is an intimate love relationship with God. Through this relationship, God reveals Himself, His purposes, and His ways; and He invites you to join Him where He is already at work.

Foundations for Faith: What is the God-Kind of Faith? How do you differentiate between faith and hope? What does it mean to believe with the heart? How do you release your faith? This dynamic course will answer these questions and more.

Bible Doctrines: This course covers the doctrines or teachings of the fundamental truths of the bible to give a sound biblical foundation for the believer. Some of the doctrines covered are: The Deity of the Lord Jesus Christ, Salvation, Ordinances of the Church, The Blessed Hope, Final Judgement and others.

Prayer Foundations: The Bible promises that when we pray according to God's will, He hears us. But many people pray in vain, because they don't know what God's will is. *God's Word is His will!* This course instructs believers on how to use the Word of God in prayer and how to get past just praying but actually receiving the answer.

The Life of Faith: This refreshing course emphasizes the true intent of scripture concerning faith, including: How Christ took all human weaknesses so that we might have all His strengths, How the blood of Christ has bought us and protects us against everything and What it really means to walk by faith and not by sight.

Helps Ministry: Did you know that "Helps" is a supernatural ministry listed right along with apostles, prophets and teachers in I Corinthians 12:28. In this class, you will study the function of the Helps Ministry in the local church and the rewards of being involved in serving in the ministry.

Righteousness: The average Christian has been kept under condemnation, as the church has never taught what we are in Christ, and all that Christ did for us. Understanding your righteousness in Christ will put you in a place of ruling and reigning in this life by Jesus Christ.

The Ministry of God's Word: Even though God is pleased to allow us to speak His word, the greatest measure of our usefulness as a minister of the Word is the degree to which our inward parts have been molded and shaped by the Holy Spirit. This class will help the believer yield to the Holy Spirit's operation in their lives.

Spiritual Authority: The main purpose of this course is to help those who desire to serve in the Kingdom of God, to know the authority of God by making plain the two principles in the universe: 1) The principle of God's authority and 2) The principle of satanic rebellion. Once we begin to flow in God's authority, His power will begin to manifest in our lives and Satan's works will have to cease.
