1. History vs revealed mysteries.

2. God ways vs God acts.

3. Supernatural vs superficial

4. Empowerment vs emotional

5. Jesus spoke with authority, the power and the how, not just information like the scribe. Mark 1:22, Matt. 7:29, Luke 4:32.

6. Information, translations, explanations vs revelation, anointing and authority. Directions, corrections, and protection.
