

LTTV MEDIA MEETING | 12-2-18

APOSTLE'S HEART

- Being apart of the media team is **first about having Apostle Thompson's heart in whatever we do.**
- When we sow seed and when we sow ourselves into the ministry we reap Apostle's heart.
- Money comes to Apostle because of his heart fully committed to the Father's will.
- When we have Apostle's heart for the Father's will, that's how the money comes and increase in the ministry.
