

Dear Friends and Partners,

Ever Increasing Word Ministries, today, will begin to branch out into Ever Increasing Financial Freedom. By the supply of the spirit and by the supply of the revelation of *Money Cometh*, these two words are about to revolutionize your life! They are prophetic and carry a wealth transference from the world to the body of Christ.

Today, as you lock in with me, I want you to get ready for financial increase like never before. Twenty-seven years ago God gave me the prophetic word *Money Cometh*. This morning he impressed on me to push it into the world deeper and deeper. When I say the world, I'm talking about the world of the Body of Christ, the people of God. This move is well overdue. The time is NOW! Having financial stress, lack, limitation, or just barely getting by ARE OVER FOR YOU NOW! Keep listening! I'll be out there in every way I can to help you change your life with the Ever Increasing Word of God, enabling you to step into Ever Increasing Financial Freedom.

Say this with me aloud! MONEY COMETH to me now! Say it two more times, MONEY COMETH to me now! MONEY COMETH to me now!

Keep listening, connect, and follow the principles in Jesus' name.

In Him,

Apostle Leroy Thompson Sr.
