

Delivered by Pastor & Mrs. McRay of Victory Fellowship Ministries, Nashville, TN,
October 7, 1994

Mrs. McRay: I feel like God would like us to minister to you. Sometimes, He shows me or gives me a word in English, I don't know what it would mean to you but I will speak it out. Actually it was two words. The first one was **ACCOMODATION** and then **CONSOLIDATION**

(Message in tongues by Mrs. McRay)

Interpretation by Pastor McRay: Many things are about to happen quickly. Coming to pass very quickly in your ministry and in your life. And, its gonna take wisdom, much wisdom to sort it out and to cause it to flow the way I want it to flow. Because time is short and it will not be many years that these things will be done, but it will quickly, quickly it will be done in your ministry and in your life.

So, listen unto my Spirit, follow my Spirit closely, for I will give you blessing, blessing, blessing, and the enemy would come in to try to tear it apart, to try to direct it another way. But, don't allow it to be directed another way but be directed by my Spirit. And I have cause these things that looked like they could never be to come to pass and you'll be able to do everything that I've called you to do saith the Lord.

(message in tongues by Mrs. McRay)

Interpretation by Pastor McRay: Now I've called you to a body of believers, but I've also called you to my larger body, to my larger body. But, there will not be conflicting calls. I will bring them together so that you will be able to accomplish, you will be able to consolidate things in such a way that you will be able to do both in harmony and great blessing saith the Lord.
