

## **Daily Prayer from Apostle-11/25/20**

God, thank you that your plans for me are good. Thank you that you created my body to live long and strong to fulfill your plans and purposes in my life. I don't want to miss a single day! I pray a covering of health and healing over myself and my loved ones, and I rebuke every attack of the enemy against my body that would keep me from living out every day you have ordained for me. Thank you that I am not alone, that you are walking with me, giving me the strength, willpower, and resolve to make good choices. I want to glorify you every day of my life. Amen. 1 Cor.6:19-20.
