

Prophecy — Apostle Leroy Thompson, Sr.

It's a Brand New Day!

December 8, 2024, Gonzales, LA

1. You're about to go down pathways that you've never been before.
2. New revelation, new depth, new experiences. You will be led by the Holy Spirit into territories that are virgin territories.
3. Power will come from places that you never thought they could come from before.
4. We are in a new dimension, or a new realm, of the spirit in these days.
5. We are about to step off into apostolic portals—supernatural doors that you've never been through before.
6. So, get ready for change. Get ready. Get ready to go deeper and stronger because of the Lord Jesus Christ.
7. Not because of me, not because of you—but because of the Lord Jesus Christ. And the Holy Spirit

will begin to manifest and begin to show some things that you've never seen before.

8. You're going to walk paths that you've never been down before. You're going to see things you never have seen before.
9. You're going to hear things you never have heard before. You're going to go places that you have never been before.
10. The time has come for the Church to rise, and there is a remnant. And you are called to be a part of that remnant, to walk in deeper dimensions of the supernatural, of the spirit, of the will of God, of the plan of God — with the hands of God upon you.
11. Therefore, whatever you're going through now, shout the victory!
12. This new dimension, or new remnant of living, it takes time—it takes preparation—it takes training—it takes teaching—it takes manifestation—it takes demonstration—it takes falling—it takes getting back up again.

13. But yeah, you are about to see some things you have never seen before, in your own personal life, at home—you are about to experience some things.
14. Things are about to be fixed supernaturally that cannot be fixed naturally.
15. So, this is a day in your life that is going to change many things.
16. You're going to get your joy back—joy that has been robbed by some situations. But you're going to step over it today.
17. For my power, my Spirit, my anointing, my wisdom, my knowledge, my understanding, my light are about to flow in your life like never before.
18. So, rejoice and praise His holy name. It's a brand-new day!

Psalm 32:8-9 Passion Translation

1. I hear the Lord saying, “I will stay close to you, instructing and guiding you along the pathway for your life.
2. I will advise you along the way and lead you forth with my eyes as your guide.
3. So don’t make it difficult; don’t be stubborn when I take you where you’ve not been before.
4. Don’t make me tug you and pull you along. Just come with me!”
