

Prophecy from Apostle Leroy Thompson
Campmeeting 2021 – 7.27.21

Here's what the Lord said...

“Get off the floor, Jesus is on the front porch, ready to carry you to places you have never seen or been to. Stop shopping for your package, for it has already been delivered. Stop living in the history of my word. You from this day forward may not be understood as you live in my unfolded mysteries.

Know this and know it well, there are no mysteries to me. I always know what to do. So, rejoice and be glad, for I am bringing your victory to pass.

Focus and go forward! For I have prepared the way for you to triumph. And no weapon formed against you will prosper. For I have placed a divine stop sign on your life declaring that you are mine.

Good days lie ahead for those who are being properly fed both spiritually and physically. When the clouds cover the sky my **S-O-N** is still shining. The fog over your life is being lifted by my supernatural power. This is mine and your hour. Let your light shine and do not be a coward. You are living in your greatest hour.

I am turning everything into your favor! Deliverance will not come by labor but by my favor!”
