Smith Wigglesworth and my spiritual father and many other great men I've read about placed their whole ministry on the line on basis of being able to walk close to the Holy Spirit. That's what the anointing is, walking close to the Holy Spirit so He can direct you, correct you, protect you.

1. The first thing, what it will produce is, *Accuracy In The Spirit Realm*.

You will never get accuracy in the Spirit realm, no matter how much you study, no matter how much you pray. If you don't yield to the Holy Spirit, you'll never have accuracy in the Spirit realm. He'll place that on your life. You want that so that you can make the right approach in any situation you can have accuracy in the Holy Spirit. Another thing that may have served you well over the years is

2. *Accountability Stability*.

In other words, have kept my feet from sliding from some of the things Satan tried to put under my feet. That anointing will keep you accountable of the presence of God and of the fact that you are God's agent. It's not normally naturally. You're not going to be as accountable and stable as you should be if you don't keep the spirit stirred up in you. The anointing, that's what it's constantly doing. It's constantly stirring up the spirit, stirring up the Holy Ghost. So accuracy in the spirit realm.

Many men of God are inaccurate. Not that they're bad men, but they haven't spent enough time praying in the spirit. This is no game. Increasing power, that's the level that I am.

3. *Accessing the Supernatural in Greater Dimensions*

When you use the gifts of the spirit, revelation gifts, power gifts, inspirational gifts there in 1 Corinthians 12, they are looking for one's that have gone deeper into the spirit. They're looking for it. Prophecy, divers' tongues... Those nine gifts are looking for somebody who's praying in the spirit and accessing the Supernatural in greater dimensions. It's sort of like provoking the Supernatural and when you're praying in the spirit... the gifts, the fruit, the ministry gifts there in Ephesians 4 they all go into another dimension by praying in the spirit. I'm using praying in the spirit and anointing parallel because they function so well together. Praying in the spirit is one of the greatest ways to increase your anointing. Before I got baptized with the Holy Spirit, I had an anointing, but I knew at the same time it must be increased.

4. *Assurance When Everything Looks Shaky*.

Those moments will come. You need to be in another realm. When it's shaken down here, you need to be somewhere else. When it's shaken in your vision, you need to be somewhere else. When it's shaken in your ministry, you need to be somewhere else.

In the presence of God, In the person of the Holy Spirit, in time that you've spent with God, when you walk into that dilemma, when you walk into that situation, you're going to be a different person. You're not going to be on the same page of fear, worry, anxiety, and how. He's always going to bring you out. But you've got to be stable for those who follow you. Sort of like when the lights went out, just act like nothing happened. That's God's business. If He wants the lights to go out, let them go out. He doesn't mind that, God don't mind that. So assurance when everything looks shaky. Make sure you spend enough time praying in the spirit. I spend at least an hour sometimes. I'll take 15 minutes intervals, when I'm by myself. I set my clock for 15 minutes and pray in the Holy Ghost.

Never make it religious, routine, or ritual. Know that the anointing (1 John 2:27) is talking about revelation. It's talking about being taught things. (John 16: 13-14). Turn to 1 John 2:27, that is so important! The anointing comes from your efforts to walk deeper with the Holy Spirit. That's where it comes from. If you make an effort, He'll meet you. The Beatitudes covers the full spectrum of Jesus' ministries. We have to take the initiative whether we feel like it or not. For lack of better words, be different! Don't be like everybody else. You want to be in the presence of God. Not arrogance, but a show-er. Live on the cutting edge in the spirit. The anointing, praying in the spirit, and spending time with God. Routine is bad. When you're praying in tongues, God is speaking to you, His Holy Ghost language so the spiritual language, the divine language and that's what He wants from you.

5. Awaken To the Moves in the Spirit.

Most people sleeping when the Spirit moving. They don't know what it is. They think its emotions, so they get wrapped up in flesh. But really when the Spirit is moving, you just need to move right along with the Spirit. Because, He's about to give you your answer or give you direction for the next 3 years of your life. Extravagant and the unusual and infinite unlimited work of the Holy Spirit is so powerful when you're in tune. Most times you're out of tune. Unless a man spends a lot of time praying on the spirit and yielding to the Holy Ghost. Whether you feel something or not it doesn't make no difference.

My dad and I had a relationship. A lot of times, he was moving in the spirit and I was moving with him. Most of the other people weren't there. One night they were jumping but they weren't in the realm. It looked like the same thing, but evidence and results and manifestation and demonstration proved different. Somebody got something that somebody else didn't get. Everybody was jumping. Awaken to moves in the spirit.

6. When you walk in the anointing, that's the Holy Spirit and spending time with God. You will Be Aware of Danger Towards Your Vision.

You will be aware. You'll know that something is about to happen. You'll spend more time with God so that when it comes it can't have the effect that it would've had if you were dull. This is what I've been doing for years. Leroy has watch me, I pastor almost with ease. But, I spend a lot of time in the spirit. Danger will come up, accusations will come up. But you'll be aware of danger towards your vision.

7. Staying Alert.

If someone drops something in the spirit, you need to know that they dropped it. If somebody picked, you need to know they picked it up. Improper moves in the spirit, and improper prophecy, and improper divers kinds of tongues, you need to be alert to know how to shut that down. You ought to shut that thing down. That's the anointing. If you're not alert you ought to shut it down because you're going to mess up. Or miss it. Or congratulate it . When you're anointed, you're aware of that.

My spiritual father, he was ahead of the pack. He sat among the Brethren and they didn't know where he was. Good men, they could preach and teach, had good ministries but they didn't know where he was, they had no idea where he was. Because he cared about the closet. Most of us with our ministry go into the closet { 13:58 }. We want to be too natural and too normal with everybody else. Brother Hagin, when he stepped out of the closet they knew that he wasn't playing no games and that he was different.

8. Allowing the Holy Ghost to Take You to Levels That You Have Never Seen.

Always up level. If you get satisfied with your success, you get satisfied with people, numbers, money, and size, if you get satisfied with that, you'll make a great mistake because you will have great regrets. There were places that you could have walked and never been. The levels must change! If the levels don't change in the anointing... If you're not aware that levels are changing and that you are getting to some places that you've never been before, almost trembling places, fearful places, the fear of the Lord. God can take you into some rooms you ain't never been in them rooms before, you look around, it don't look familiar here. " I don't know what to do." That's exactly where he wants you! You walk in a room and you don't know where the switches, so he gives you a new switch. A familiar switch, anybody gone flip it. There are times, you don't know when, there are times, He can take you into a room, in a realm. Sometimes things happen to you, and you're disturbed in the natural because you can't explain it. But there again, here's another thing now, a man who is in that realm of the anointing, he will get it. You might have to explain something to another fella in 9 months and he'd never get it. That's the way Brother Hagin and I was. He'd make a statement in the spirit and I, was on to it. He'd move, I'd move. Then some other people would try to get in their emotions. Allowing the Holy Ghost to take you to other levels that you've never seen. That spells F-R-E-S-H. Your message will get stale. Your ministry will be common. You'll be put on the scale with everybody else unless that cutting edge anointing is flowing. Get that thing flowing, aint no telling what's going to happen, when its going to happen, or how it's going to happen.

9. Accusations Are Dissipating

Because it can't catch a hold of you to get you involved because your attitude and your action are held in place even when there are accusations. Because you are in the anointing and accusations can't come up to that level, it can only attack your flesh and what is seen. But, in the spirit world, you're in control and finally that accusation will be annihilated by the power of the Holy Ghost. We all know He will never let you down. We all know that we have partnership. You know we have a relationship, but partnership and fellowship is so important. The Holy Ghost hungers for

fellowship. That's why He don't want to give you stuff that'll take you from Him. Because our lives now, the calling on our lives, our lives no longer belong to us. Give what you have to Him... Accusations are dissipating.

10. Atmospheres Are Impregnated.

When you're anointed, and you spend time properly with God, when you walk in the atmosphere, it becomes impregnated with His presence. And people know it. And you become more accessible. You can access people's soul and their spirit when you walk in that room, that atmosphere is changed. It's impregnated not by you, but the Holy Ghost. and people will know it. You know...and you know you can go and put a scripture to all of these, I may do it later on.

11. Asset and a System Become Clear.

You always know you not by yourself. Asset , that means what He has already provided for you, and a system become clear no matter what it look like because you in the spirit. John said I was in the spirit on the Lord's day and I saw. See, if you not in the spirit, you can be in the scripture, but if you not in the spirit, you not going see nothing. You don't say a whole lot because you ain't seeing nothing, so what you saying is really not even that important.

12. Astonishing Truth Will Become Available.

Where you just be astonished at some of the truth, Back to 1 John 2:27 you're a teacher of truth and it shall not lie... And then Jesus, the anointing of within (1 John 2:27) and the anointing upon. (Luke 4:18)

The anointing within is to stir you up, get you ready. The anointing of all is for the ministry. That's the input and output. See you alone with God is the input, and then when you gotta put out, the output, the anointing will be upon.

See don't ever think you are wasting time when you spend time with God because it goes into your account. And when you need to make withdrawals, its right there. Its always...

I heard somebody say, "You're not spending time when you with God, you're investing." If you're spending, nothing coming back but the investing, there's dividend that'll come back...interest.

And when it comes back... Just like when you put money in the bank , when you spend time with God, you making a deposit and there will come a moment that you need to make withdrawals. But if you ain't putting nothing in, you ain't getting nothing out. Who are you?! ...spending time is so important.

I think those 12 things and those 3 verses, the value of the anointing, you'd be amazed how the men and women all over the world have no idea about these 12 things, these points that we're talking about now. Then when you meditate, you're going to see more, you can put a lot of scriptures to them. But they will be valuable to you because the spirit is addressing them right now. Accuracy, accountability, accessing, the showing, awaken, aware, alert, allowing the Holy Ghost to take you to another level, accusations dissipated, atmosphere impregnated, asset, that has all been available to you.

The gifts of the spirit, you have access to them. Astonishing truth will become available. Astonishing truth, truth that you would not touch unless the anointing take you there.

And I like romans 5:1-5, it so powerful. And then Romans 4:16, powerful. These boys messed up the grace message. They didn't know what they were doing, because they didn't have the anointing, they were on the outside messing with scripture. Remember that? That'll get you in trouble. Those scriptures, "the words that I speak to you, they are spirit and life". So don't come messing round here in the natural, and think you're going to comprehend this like an English book, Or like it's normal. It's not normal, that's a spiritual book! When you go in there you're going to have to have the Holy Ghost assistance. But Romans 5:1-5, gives us the greatest lesson of accessing, how to access and how to maintain. And it also reveals to us that there would be some shaky moments, in flight! That's just the cloud, you'll be over it before you know it. David read that Romans 5:1-5. Reply: Yes sir! - 1 Therefore being justified by faith, we have peace with God through our Lord Jesus Christ: 2 By whom also we have access by faith into this grace wherein we stand, Apostle: So we are Justified by faith and have access by faith! ...Go head.) and rejoice in hope of the glory of God. 3 And not only so, but we glory in tribulations also: knowing that tribulation worketh patience; 4 And patience, experience; and experience, hope: 5 And hope maketh not ashamed; because the love of God is shed abroad in our hearts by the Holy Ghost which is given unto us.

Now, when you talk about the anointing, the value of Love cannot be expressed wide or deep enough. Love is a masterpiece, in all attributes of the spirit realm. That's why, you see, it's shed in our hearts, hope maketh not ashamed. See, hope will make you ashamed and faith will make you ashamed and anything else in the scripture would make you ashamed without Love. That's why he tells us 1st Corinthians 13. In verse 12 he says I'm going to talk to you about the gifts of the Spirit, now I am going to show you the greater works and the greatest avenue is 1st Corinthians 13, Love. You're talking about a man working in the gifts, gives his body to be burned, fed the poor, gives his money, he said if you don't have love you don't have nothing. Then he said Love never fails. Love is the maturity word in the spirit. It supersedes all functions in the spirit. And so while we're talking about this inner conversation, these little eggs are thrown at us and then crack us on side the head, by not controlling the inside. And then we just want to shift, (I'll use these words) but you cannot shift when you're drifting. To make a change you have to let the Holy Spirit be in control of the currents, the flow. If you're not aware of the anointing you're really not flowing. You think you're flowing but you're not changing on turn, you're not changing no direction. You got two thousand people at your ministry and you ain't changing nothing, You're going down the same doggone canal, you're not driving, everybody driving with you. You got to make a turn, you don't know where you're going, and when you make that turn their going to say "oh oh oh somebody else is up in here. Somebody else is with that man, I ain't never made this turn. Hold on!" And people like to hold on because they like to go to another dimension. So, when a man or woman is anointed these are some things that has to happen. Those few scriptures have served me well. I look at them and when I look at them, I can feel the anointing coming on me right now! Because they have served me so well, with my inabilities, fragility. They have served me well, there are places that I could not go myself, God led me to London with Creflo, Madison Square Garden, I preached at some of the biggest meetings around the world at Campmeeting with brother Hagin and Fred Price and Creflo, just places that I wasn't supposed to be. Y'all noticed, y'all have been with me, you know, you walk into someone's church like Bill Winston, he got a big church, when I go to shifting those people, some of them want to and other of them don't want to, they go so far and no more. But I followed brother Hagin and I drop something in there, and he had stirred up it, Boom!, they caught right on to it.

So always think ,keeping... in mind the value of the anointing.

Look at those scriptures while you're praying, I may while I'm praying, put scriptures to these I gave you. Because they just come up, you know. So let's sit a minute and pray in the spirit. I just heard in my spirit.

The Lord just remind me while I was praying of how you tune your soul up in Psalm 103.

Blessing and benefits. The first 3 verses in Psalm 103. That is a great way every day in your devotion to turn your soul up. Here's how you'll might have to help me with this.

He said bless the Lord oh my soul, and bless His holy name.

Jehovah Jireh, what I do is, I spend time talking to Jehovah Jireh thanking Him.

Jehovah Tsidkenu , thank You for righteousness.

Jehovah Nisse bear all our aid.

Jehovah Shammah, He's present.

Jehovah Rahah He's my Shepard.

Jehovah Rafa, He's my healer.

So, I just spend time with all those aspects of God blessing me and thanking Him for those things, I might've missed a few but they're there.

Then you've got those 5 benefits: blessed the Lord and forget not His benefits, where He forgive all our iniquities and heals all our diseases, and redeem our life from destruction, crown our head with loving kindness and tender mercies, and satisfy our mouth with good things. Then he renewed our youth like the eagle.

So, I'll take one by one and I'll thank Him for that and I let my soul bathe and soak. And then it, what my spirit says, what the Holy Ghost says through my spirit will not be foreign to my soul.

Because I brought my soul into the presence of the Lord now my soul is available for the anointing to go through it. That's what the Lord said.
